

DODDIEVET 2026

IN SUPPORT OF
MY NAME'S DODDIE
FOUNDATION

For anyone interested in taking part in a fun, team building exercise based challenge then look no further!

DoddieAid is a challenge running from 1st January 2026 for 5 weeks. Sign up is £20 per person and all proceeds will go to the My Name's Doddie Foundation to help find a cure for Motor Neuron Disease.

DoddieVet is a veterinary league running within the DoddieAid Challenge for the past 4 years and your Practice/Business Team would be competing against other veterinary teams from across the UK.

During the month for January, your team will try and accrue as many miles as possible. This could be in any way you choose; cycling, walking, running, swimming, horse- riding, paddle boarding etc.

There will be games and prizes along the way! The most important part is having fun, enjoying the outdoors while raising money for this incredible cause.
